

CADRE

THE ARCHITECTS 2007 PINOT NOIR

93

points

"The 'architects' name refers to the four vineyards that constitute the blend: **Laetitia, La Encantada, Firepeak** and **Bien Nacido**. The wine's purity is proof that a great Pinot does not have to come from a single vineyard. It's bone dry and full-bodied in tannins, with complex flavors of black cherries, red currants, Dr. Pepper cola and exotic Asian spices." — S.H.
